If it comes to our attention that we have collected Personal Data from such a person, we may delete this Information without notice. How long we keep your Information

We will keep your Information only for as long as we need to hold it for the purposes set out in this Policy.

However, if required we will be entitled to hold your Information for longer periods in order to comply with our legal or regulatory obligations.

Legal basis for processing your Information

Under applicable Data Protection Law we may only process your Information if we have a "**legal basis**" (i.e. a legally permitted reason) for doing so. We will have a legal basis for processing your Information under this Policy if:

- you have given us your consent to process your Personal Data (see below); or

- processing is necessary for the performance of a contract you have entered into (i.e. we need to process your Information in order to provide you with services), or in order to take any preliminary steps that you consider are required before you can enter into such a contract; or
- processing is necessary to allow us to comply with our legal obligations; or
- processing is necessary in order to protect your vital interests; or
- processing is necessary for us to perform tasks that are of public interest or in the exercise of official authority (where applicable); or
- processing is necessary for our legitimate interests, provided that these legitimate interests are not overridden by your fundamental rights.

Your consent to processing

If you have previously given your consent to the processing of your Information, you may freely withdraw such consent at any time. You can do this by notifying us in writing using our contact details below.

If you withdraw your consent, and if we do not have another legal basis for processing your Information (see above), then we will stop processing your Information. If we do have another legal basis for processing your Information then we may continue to do so subject to your legal rights (for which see "**Your Rights**" below).

Where we are unable to rely on consent, we will rely on the performance of a contract with you or compliance with our legal obligations as the basis for processing your Information, unless we consider that processing is necessary for our legitimate interests (e.g. delivery and/or improvement of our services). Marketing is considered separately below.

Marketing

If you have not purchased services from us or enquired about purchasing any of our services and if you have given us prior permission, then we will use the Information we hold about you to contact you by email for the purpose of letting you know about our services. If you prefer not to receive these communications from us, or if you no longer wish to receive them, then you can opt out at any time.

If you are an existing customer of ours, or if you have previously purchased services from us or enquired about purchasing any of our services, we may use the Information we hold about you to contact you by email to provide you with details of similar services to those purchased or enquired about by you. If you prefer not to receive these communications from us, or if you no longer wish to receive them, then you can opt out at any time. We have undertaken a legitimate interests assessment of our marketing practices and we have concluded that legitimate interests is an appropriate basis for those practices, as we consider that it is reasonable to assume that you would expect us to promote our services to you in this manner and that doing so involves relatively little intrusion into your privacy or any disproportionate impact on your fundamental rights; furthermore, because we utilise an email marketing system which allows us to exercise a sophisticated degree of control over your marketing preferences, we do not consider that a less invasive form of processing is available to achieve the same ends.

You have the right at any time to ask us to stop processing your Information for marketing purposes. If you wish to exercise this right, you should contact us by sending an email to info@subvisionsurveys.co.uk giving us enough information to identify you and deal with your request. Alternatively you can follow the unsubscribe instructions in emails you receive from us.
